Fall/Winter Events 2018-19

(Note: This schedule of events is tentative. Location and dates are subject to change depending on trail, weather and snow conditions.)

- ❖ **NEW: “FUN-RUNS”** with Nadele – once a week in and around Whitehorse, starting mid November:

This season Nadele Flynn, a DPSAY board member, will offer regular "fun-runs". The goal of the "fun-run" is to provide a friendly, non-competitive atmosphere to get out with other folks that like to run their dogs in harness. Kicksleds, Canicross, Skijoring, and Bikejoring are all welcome. Speed is what you want it to be, distance is usually 5-8km.
